

Australian Arid Regions Native Flora  
Reserve. (Govt)

Answered,

Dear Tabulla John,

Home Hut  
off Reserve Area.  
Alice Springs  
19.5.71

I am going to  
enclose with this a

Questionnaire

NR Please fill it in & return to NB  
me this, or early next week. NB

You may have found Tasmania  
your "spiritual home" - (I am  
glad of that, - (as it is mine  
too but I shall never return there.)

But I think your "spirit  
Centre" must have been Oysters  
love & your totem OYSTERS!!!  
Creatures who do not open  
their mouths. (Or pens!)

2. Quite seriously are you tired of  
me, as a (tribal) Grandmother?

If so say so candidly. I  
hate all pretences & we'll end  
our association, — pleasantly.

But if not, there must  
be "news" <sup>spaced</sup> from time to time, ~~and~~  
that not <sup>23</sup> 3 to 6 months!!!

I hope you are well? And  
happy?

Yours sincerely

Oliver Pink

(now 87 — which  
you forgot to remember!!)

Today

P.S. I was loping for a  
Siesta. But want to  
know what you are "up  
to" — even more.
