

Aboriginal with spear and
woomera. The woomera is used
as a launching stick extending the
reach to increase speed and dis-
tance of the spear.

Johnny Tambijinta Zarnarily
- about 20 years ago,
(when he speared Euros instead
of getting - as now, the basic
wage (+ more) than earning it!!)
He now has a wife & four
(living) children. Lost two babies.
The colour is so true thought
you might like it (Non Curator)
